

Ready for another great year? Below are the dates you need to be aware of for the school year. Hang this on your refrigerator so that you always have them in reach!

www.connectsm.com

Location

All youth ministry meetings are held in the youth room, unless otherwise specified. We may occasionally be going off-site. There will be a sign posted at the church on the Sundays these outings take place.

Event Information

Event information is available online (including a form to register for many of our events). Please visit www.connectsm.org and click on the Upcoming Events page for more details and to register.

Apply Bible Study

Apply is a Bible study for all students who are interested, which takes place each Wednesday evening (following a Connect Sunday) from 6:30 – 8:00pm in the Youth Room. Apply will be done in a traditional Bible study format with hard copy Bibles, highlighters and notebooks, with the goal to better understand the word of God and how to apply it to our lives.

Service Opportunities

This year we are going to have weekly opportunities throughout the Connect year. These service opportunities take place each Wednesday evening (following a Connect Sunday) from 5:00-6:30pm in the basement kitchen.
